POST EVENT REPORT

Venue: Lecture Hall 4

Date: 25/04/2024

Dr. George Thomas, Professor and Head of the Department of Conservative Dentistry and Endodontics, led an enlightening session on "**Professionalism and Ethical Conduct in dental practice**" for interns at Lecture Hall 4 from 3:00 PM to 4:00 PM. The lecture explored the core principles of professionalism and ethical behavior in dental practice, emphasizing the importance of maintaining integrity, honesty, and respect for patients' rights. Dr. George highlighted key ethical considerations and challenges faced by dental practitioners, encouraging students to uphold ethical standards in their future careers. The interactive discussion and case studies provided valuable insights into navigating ethical dilemmas and fostering patient-centered care. Attendees left the session with a deeper understanding of their professional responsibilities and a renewed commitment to ethical practice in dentistry. Dr. George's expertise and engaging delivery contributed to a thought-provoking and impactful learning experience for all participants.
