Dear Sir,

Sub: Usage and disposal of stem cell lines - Reg.

With reference to postgraduate dissertation of Dr. Najia (2019 batch), MDS student, Dept. of Periodontics, MINDS, titled "An *in vitro* evaluation of the effect of metformin on the cellular, phenotypic characteristics and osteogenic potency of gingival mesenchymal stem cells" under the guidance of Dr. Anil Melath, I wish to state that the established stem cell lines will be used for this study purpose only, and the same will be disposed following standard guidelines immediately after the award of MDS degree.

Thank you.

Yours sincerely,

Dr. A. Veena Shetty
