MAHE

Dt. 10/10/2018

To
The Principal
MINDS,
Mahe

Sir,

The Department of pediatric and preventive Dentistry, Mahe Institute of dental science, Mahe had conducted a school dental health programme in this institution on 25th September 2018. The programme consisted of Dental screening for all the students from LKG to Vth Std and Dental awareness classes on diet nutrition and oral hygiene for students from 3rd to 5th std. 14 staff members of MINDS and 223 students of this institution participated in the program. Identification of students who were in need of dental treatment was done. A note with the treatment need were given to be taken home to their parents for their information and further procedures

Thanking you,

Yours faithfully,

Blessed self

We are greatly honored and privileged to render a note of thanks to a team of Doctors from Mahe Institute of dental Science for organizing a class regarding Dental hygiene for our students.

We express our immense gratitude for your service in the form of free dental check up camp organized for our students on 16th November and 6th December 2017.

We look forward for your service in future.

1. Blood Donation Camp:

Date:21.02.2022

Letter of Appreciation

On behalf of the blood bank, I would like to take this opportunity to express my appreciation for all the efforts from you and your team **BDK Thalassery** in making blood donation camp at **Mahe institute of dental science and hospital** on **20 December 2021**. Please accept our sincere thanks for such an impressive job.

The blood donation camp helped us to collect **FORTY** units of blood, which is very precious and helps us to save lives. The blood bank is grateful for the outstanding support and valuable time and efforts in undertaking the organization of blood donation camp. You can all take pride in the thought that every time a life is saved, you through your kindness and dedication to the society were a part of it.

Thank you again for demonstrating such a genuine commitment to the community and helping our blood bank assure a safe and adequate blood supply.

With best wishes and hoping to work together again in the near future.
