Dear course participant

Welcome to SWAYAM-NPTEL Online Courses and Certification!

Thank you for signing up for our online course "Basic course in Biomedical Research- Cycle 5". We wish you an enjoyable and informative learning experience.

Details regarding the course:**Name of the course:** Basic course in Biomedical Research- Cycle 5**Course url:** https://onlinecourses.nptel.ac.in/noc21_md05/preview

All the lectures and the learning materials are now available on the course page. Please go through the following instruction before you access the course.

ANNOUNCEMENT AND DISCUSSION GROUPS TO CLEAR DOUBTS:

- Announcement - will have messages from Admin team to update you about the course
- The discussion forum ('Ask a question' tab on the course page) - is for course participants to ask questions and interact on the lecture based queries. Anyone who knows the answers can reply to anyone's post and the course instructor/TA will also respond to your queries. Please make maximum use of this feature as this will help you learn more.
- If you have any admin related / general queries, write to noc21-md05@nptel.iitm.ac.in

CONTENT AND ASSIGNMENTS

The course includes 25 lectures (Lecture 24 & 25: non-graded) covering conceptualization of a research study, epidemiological and bio-statistical considerations in designing a research study, planning and conducting a research study, writing a research protocol and publication ethics. The learning materials will include - video lectures, lecture handouts, reading/resource materials, example accompaniment, workbooks and text transcripts.

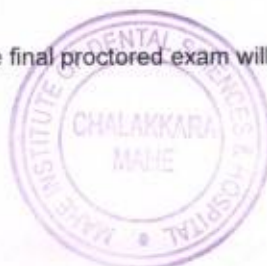

Of the 25 lectures, 23 lectures will have online assignments consisting of 10 Multiple-Choice Questions (MCQs). Thus, 'total assignment score' sums to a maximum of 230. A minimum of 50% in total assignment score is essential to register for the final proctored exam.

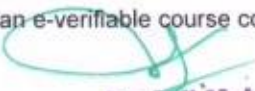

REGISTRATION FOR EXAMINATION:

Registration will open 3 months before the scheduled examination date. To register for examination, the participant will have to fill-up an online form and pay the examination fees of Rs.1000 online. The city-wise list of examination centres will be made available at the time of registration. A minimum score of 50% is considered pass.

CRITERIA TO GET A CERTIFICATE

Participants who successfully clear the final proctored exam will be awarded an e-verifiable course completion certificate.

Dear knowledge explorers,

Thanks for joining the course BES-123: Learning and Teaching.

I welcome you all on behalf of **SWAYAM-IGNOU** in the course.

In next 16 weeks, we will explore various aspects of learning and teaching together with the help of e-text, videos, discussion forums, live interactions, etc. The course is divided into 16 weeks, and in each week, new lessons will be uploaded along with e-text and videos. You are expected to read the text and watch the videos. Every week, a quiz will be uploaded related to that particular week. You need to answer all the questions in the quiz. Only one attempt is permitted to take-up the quiz so take up the quiz after thorough reading and watching all the videos. There will be one discussion forum question every week, on which you need to reply as per your own understanding and experience. Also read the replies of your fellow participants and share your reflections/view submissions too. This will enhance interactivity and peer-learning.

The first discussion forum is about introducing yourself, so please visit there and introduce yourself.

Here is an video, which will help you to navigate on SWAYAM portal and locate all the essential components of your course

How to Navigate through SWAYAM course: <https://youtu.be/zp0KUIfzhDc>
