On the occasion she talked about Women empowerment. And also Gender discrimination in work places are incorrect assumptions and must be stopped, because women are just as productive as a male employee is in doing an allotted task. Females should not be treated inferior than males, because they have better capability as males. She advised women to empower themselves without waiting for any external agency to help them. The program winded up at 4.00 pm by open discussion and active participation from the audience which was answered and discussed by the resource person. After that Mrs.Achala mohan addressed the audience and spoke few words about women's day. Post graduates, interns, faculties and students attended the program. The program was concluded with a vote of thanks by Mrs. Sasikala (Administrator in charge).

POST EVENT REPORT:

ANNUAL GENDER SENSITIZATION PROGRAM

Title of Program: Dowry system – A social evil.

Date: 12-12-2016

Venue: Lecture Hall 3

Annual gender sensitization program was conducted on December 12, 2016. The whole program was organized by the Committee for Women Empowerment. The event was started with a prayer song by Meghna Sunil, (Student) followed by welcome address by **DR. ANIL MELATH**, Principal, MINDS. Dr. Anil welcomed the gathering and spoke a few words related to the Dowry system. After that he handed over the mike to **DR. RENA EPHRAIM** for giving the lecture.

She spoke that the dowry system is great evil that still exists in the society. It is an act of discrimination against unmarried girls, whose values are defined on the prices of their respective dowries. Therefore; it is high time to take effective steps against this social evil. It can be rooted out by generating public opinion against it. It is essential to pass strict laws for the exemplary punishment of the offenders. She specified dowry is complete injustice with the women and does not give women equal status in the society.

She concluded that Dowry is a social evil in society that has unimaginable tortures and crimes towards women and polluted the Indian marital system. The program was concluded with a vote of thanks by Mrs Nisha, Convener of the committee.
