STRATEGIC PLAN

INTRODUCTION

Mahe institute of Dental Science and Hospital, Pondicherry popular known as MaheDental College (MINDS) is located in Mahe Muncipal limit also known as Mayyazhi. Mahe is a small town in India's south West coast. Formerly Mahe was a part of French India and French Colonial heritage is still reflected in buildings like government House etc... Mahe is a part of Pondicherry Union Territory but an enclave in northern Kerala State, South-Western India. Mahe Town is at the bank of 'Mahe River' along with the Arabian Sea and is surrounded by all sides of the Kerala States. 'MINDS' Campus is at the top of Hillock at ChalakkaraPalloor, Mahe and near Airport is the recently commenced Kannur International Airport, Mattanur at a distance of 32km. The nearest Railway Station is Mahe Railway Station and all important local and express Trains stop. Other nearest Railway Station is Thalassery and Kannur. There are road facilities to the place and free and easy access from Highway. The other amenities like Electricity, Water, Telephone, Internet, Sewage, and Fire station are available in this location.

PROMOTORS AND BACKGROUND OF THE COLLEGE

MINDS is promoted by NRI Trust and all our promoters are reputed personalities of the locality and financially sound, with keen interest in promoting Education and providing other charitable services to society. The Trust Registered on 29th December 2006. MINDS established BDS course 2009-2010 and PG (MDS course) established in 2019. Our Dental Institution is a self- financed private management College and the College is Affiliated with Pondicherry University and also the College is Approved by the Dental Council of India, New Delhi.

EDUCATIONAL PROGRAMME

MINDS offered BDS course from the academic year of 2009-2010 and the duration of BDS course of study is 4 years and 1- year rotating Internship. MDS course of study duration is 3 years. Presently MINDS with an annual intake of 100 Students for UG & 14 Students for PG (MDS) Courses. The Academic norms prescribed by the Dental Council of India have strictly adhered to the BDS curriculum of Pondicherry University. Admission will be made as per the rules prescribed by the Government of Pondicherry as per the guidelines of the Honourable Supreme Court of India for self-financing institutions. MINDS already has approval from the Dental Council of India and also an essentiality certificate from Health Secretariat, Pondicherry after fulfilling the requirements stipulated in the regulations.

ACADEMIC SYLLABUS

MINDS Provide clinical and non-clinical tracks and year-wise syllabus programs of BDS curriculum scheduled. The BDS internship aims to improve clinical skills and develop professional skills. MINDS postgraduate(MDS) specialties include: Periodontology , Orthodontics and Dentofacial Orthopaedics, Conservative Dentistry & Endodontics, Prosthodontics and Crown Bridge, Paediatric and Preventive Dentistry, Oral Pathology and Microbiology.

FACULTY AND NON TEACHING STAFF

All our students are taught by Board Certified Dental Specialists and General Practitioners and the principal has overall leadership responsibility for all academic programs belonging to that faculty. The immensely dedicated and experienced faculty ensures curriculum planning, delivery, and evaluation as prescribed by the regulatory body's guidelines. Non-teaching staff supports the function of day to day activities of the college.
