The Report on CDE

With due respect, I am presenting you a report on a webinar held in the Department of Conservative dentistry in collaboration with the MINDS Research Committee. It brings me great joy and honour to have organised such an informative webinar which was very useful for both the faculties and the students.

The webinar was conducted on the topic "**Plagiarism**"-- on 29-05-2021 at 1.30-2.30 p.m. The webinar began with a welcome note by **Dr. George Thomas** The Organizing chairperson and followed by the introduction of our guest speaker **Dr.R.Parthiban** by Dr.Sunil (Reader, Dept. of Conservative dentistry and Endodontics.

It was an opportunity for our faculty and students to gain essential knowledge on the recent trends and the procedures involved on the topic were discussed. Once again, on behalf of the Department of Conservative dentistry, I thank the chairman, principal, and vice-principal for their assistance in making this event a grand success.

Thanking you

(Dr George Thomas)

The Report on CDE

With immense pleasure, I am presenting a report on webinar which was conducted in the Department of Periodontics. It gives me pride and honour to have conducted such a seminar which was an eye opener for all the participants out there.

The seminar topic was on "IPR Protection and non- patentable inventions" which was held on 11-02-2021 at 1.30 -2.30 pm. It was conducted with the support of the Honourable chairman Shri K.P. Ramesh Kumar along with Principal Dr. Anil Melath and Vice Principal Dr. Selva mani

Our speaker **Dr. Anil Melath**, has shared his insights on current developments and their applications in the respective field. On behalf of the Department of Periodontics I would like to take this opportunity to thank our chairman, the principal and the vice-principal for supporting this event to happen in a grand manner.

Thanking you

(Dr Anil Melath)

The Report on CDE

I am very glad to present a report on the seminar held in the Department of Orthodontics. The seminar was held on March 17, 2021, from 1.30 p.m. to 2.30 p.m.

Dr. Fayyaz Ahamed our beloved speaker delivered her valuable points on recent trends and their applications on the topic "**Data Management and Overview of data analysis**". This event was a successful one in terms of the knowledge gained through this seminar with time filled on lots of thoughts being shared on this occasion.

On behalf of the Department of Orthodontics, I would like to thank the chairman, principal and vice-principal for their assistance and guidance in making this event a grand success. Our heartfelt gratitude goes out to each and everyone who played a major role in making this event a memorable one.

Thanking you

The Report on CDE

On behalf of the department, I am privileged to submit a report on the webinar held in the Department of Orthodontics. It gives me immense pleasure and thought of honour to have led such an educational session which was such a mind blogging session for both faculties and students.

This event was held on 25th of February, 2020 at 1.30-2.30 p.m., on the topic "**Innovation and patency of research**". Our guest speaker **Dr. Binoy Kurian** has enlightened the occasion by delivering his valuable thoughts on the above topic. It was such an occasion where a chance was created to gain knowledge both by our staffs and students.

Again, on behalf of the Department of Orthodontics, I thank the chairman, principal, and vice-principal for their extreme kindness and support in making this event a grand success. Our heartfelt gratitude goes out to each and everyone who has helped to make this occasion a memorable one.

Thanking you

The Report on CDE

With due respect, I am presenting you with a report on a webinar held in the Department of Microbiology in collaboration with the Research Committee -MINDS. It brings me great pleasure and honour to have been a part of such an informative webinar for faculty and students. On January 8, 2020 at 1.30 p.m - 2.30 p.m., a webinar on "**New Molecular Approaches in Research**" was held.

Dr. Shailaja Amur, the webinar organising chairperson, gave a welcome address, and **Mrs. Anjali** introduced our speaker. **Dr. Parthiban**, Associate Professor of Microbiology at Malabar Cancer Centre, enlightened the audience with his insightful remarks on new advances and their applications in the field of "**New Molecular Approaches in Research**". Our faculty and students got excellent knowledge from our intellectual guest speaker, and it was a memorable occasion. **Mrs. Rajeswari** delivered the vote of thanks. This event seminar was a success, with time filled with knowledge exchanges.

Again, on behalf of the Department of Microbiology, I appreciate the chairman, principal, and vice-principal for their help in making this event a success. Our heartfelt gratitude goes out to everyone who helped make this one happen by chance.

Thanking you

(Dr. Shailaja Amur)

The Report on CDE

I am honoured to present a report on the seminar which was conducted in the Department of Periodontics. It brings me great joy and honour to have led such an educational session that was eye-opening for both faculty and students.

The seminar was held on December 19, 2019, from 1.30 p.m. to 2.30 p.m. **Dr. Subhair**, our speaker on this occasion delivered his valuable points on recent trends and their applications on the topic "**E-resources in Research**". This event was a success, with time being filled with knowledge exchanges.

On behalf of the Department of Periodontics, I would like to thank the chairman, principal, and vice-principal for their assistance in making this event a success. Our heartfelt gratitude goes out to everyone who played a role in making this one happen successfully.

Thanking you

The Report on CDE

I am very happy to present a report on the seminar held in the Department of Paedodontics. On October 21, 2019 at 10.00-11.00 p.m., a seminar was held on the topic "**Salient features of developing research proposal**". With the great support of our Honourable Chairman Shri K.P. Ramesh Kumar, Principal Dr. Anil Melath, and Vice Principal Dr. Mohammed Feroz, the seminar was a success.

Dr. Rena Epharim., has delivered her significant insights on new ideas and knowledge on the topic "**Salient features of research proposal**". This event seminar was a success, with time filled with knowledge exchanges.

Once again, on behalf of the Department of Paedodontics, I appreciate the chairman, principal, and vice-principal for their help in making this event a success. Our heartfelt gratitude goes into each and every one who helped to make this event happen in a big way.

Thanking you

(Dr Rena Epharim)

The Report on CDE

It brings me great pleasure to present a report on a seminar held in the Department of Oral pathology in collaboration with the MINDS Research Committee. A seminar was conducted on 18-09.2019, from 1.30 p.m. to 2.30 p.m. on the topic "**Financial regulatory concern in establishing a pathology lab**". Our speaker **Dr. Selvamani** has enlightened the occasion by delivering his valuable points on recent trends and its applications on his topic. It is my honour and privilege to conduct such a seminar which was an eye opener for all the participants.

On behalf of the Department of Oral pathology and Microbiology, I would like to thank the chairman, principal, and vice-principal for their assistance in making this event a success. Our heartfelt gratitude goes out to everyone who played a role in making this one happen on a grand note.

Thanking you

The Report on CDE

I am very glad to present a report on the seminar held in the Department of Oral Medicine & Radiology. The seminar was held on August 27, 2019, from 1.30 p.m. to 2.30 p.m.

Dr. Shakunthala our speaker delivered her valuable points on recent trends and their applications on the topic "**IPR on Information retrieval – discovery tool for research**". This event seminar was a success, with time being filled with knowledge exchanges.

On behalf of the Department of Oral Medicine, I would like to thank the chairman, principal and vice-principal for their assistance and guidance in making this event a grand success. Our heartfelt gratitude goes out to everyone who played a major role in making this event a memorable one.

Thanking you

Through The Principal

I am delighted to submit a report on a seminar held in the Department of Prosthodontics in collaboration with the Research Committee MINDS. Its gives me great joy and honour to have led such an educational session for both faculty and students.

This event held on 08th of June, 2019 at 1.30-2.30 p.m., topic of the seminar was "**Tips for Writing Research Proposal**". Our speaker **Dr. Nandha Kishore B** has enlightened the occasion by delivering his inspirational thoughts on above topic. It was an auspicious occasion to gain knowledge by our staff and students.

Again, on behalf of the Department of Prosthodontics, I appreciate the chairman, principal, and vice-principal for their help in making this event a success. Our heartfelt gratitude goes out to everyone who helped make this one happen by chance

Thanking you

The Report on CDE

I am delighted to submit a report on a seminar held in the Department of Pharmacology in collaboration with the MINDS Research Committee. It brings me great joy and honour to have led such an educational session that was eye-opening for both faculty and students.

On the 23th of April, 2019 at 1.30 -2.30 p.m., a seminar was held on the topic "IPR on Ethics in Research." With the help and leadership of our Honourable Chairman Shri K.P. Ramesh Kumar, Principal Dr. Anil Melath, and Vice Principal Dr.Mohammed Feroz, the seminar was a success.

Our guest speaker **Dr. Gopinath**, who has lightened the points on recent trends and its applications on the topic "Ethics in Research". It was a scholarly speech given by our guest speaker.

I thank our beloved chairman sir, the principal and the vice-principal for supporting this event to happen in grand manner. Our sincere thanks to each and everyone involved in making this programme a success.

Thanking you

The Report on CDE

I am honoured to present a report on the seminar which was conducted in the Department of Orthodontics. I am also so pleased to conduct this seminar which will be a knowledge booster to all the participants.

With due respect, I like to present a report on the seminar held in the Department of Orthodontics. The seminar was held on January 12, 2019, from 1.30 p.m. to 2.30 p.m.

Dr. Fayyas Ahamed, our speaker on this occasion delivered his valuable points on recent trends and their applications on the topic "**Vancouver Style of Reference**". This event seminar was a success, with time being filled with knowledge exchanges.

On behalf of the Department of Orthodontics, I would like to thank the chairman, principal, and vice-principal for their assistance in making this event a success. Our heartfelt gratitude goes out to everyone who played a role in making this one happen successfully.

Thanking you

The Report on CDE

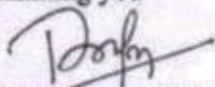

With joy filled happiness here I am to present you a report on a seminar which was conducted in the Department of Periodontics in association with Research committee -MINDS. It was my honour to conduct such a seminar which was an eye opener for the staff and students.

The Seminar was conducted on the topic "IPR on e-Resources in Research"- on 19-10-2018 at 1.30-12.30 p.m. The seminar began with a welcome note by Dr. Melwin Mathew, The Organizing chairperson and followed by the introduction of our speaker **Dr.Subhair K** by Dr. Ashithha Mohandas.

It was an opportunity for our faculty and students to gain essential knowledge on the recent trends and the procedures involved on the topic discussed.

Once again, on behalf of the Department of Periodontics, I thank the chairman, principal, and vice-principal for their assistance in making this event a grand success.

Thanking you

(Dr Mohammed Feroz)

The Report on CDE

I am very happy to present a report on the seminar held in the Department of General pathology. A seminar was conducted on 27-09.2018, from 1.30 p.m. to 2.30 p.m. The programme was successful with the support of our Honourable chairman Shri K.P. Ramesh Kumar along with Principal Dr. Anil Melath and Vice Principal Dr.Mohammed Feroz

Dr. Murali., has delivered his significant insights on new developments and their applications on the topic "**Importance of biostatistics in research**". This event seminar was a success, with time filled with knowledge exchanges.

Again, on behalf of the Department of General Pathology, I appreciate the chairman, principal, and vice-principal for their help in making this event a success. Our heartfelt gratitude goes into each and every one who helped to make this event happen in a big way.

Thanking you

The Report on CDE

With heartfelt gratitude, I here to present you a report on a seminar which was conducted in the Department of General Pathology in association with Research committee -MINDS.

Seminar was conducted on the topic INTELLECTUAL PROPERTY RIGHTS (IPRs) – which was held on 27-08-2018 at 1.30 pm to 2.30 pm, on the topic “**Information Retrieval-Discovery tool for Research**”. Our guest speaker **Dr. Goutham Kalladka** has enlightened the occasion by delivering his valuable points on recent trends and its applications on his topic. It is my honour and privilege to conduct such a seminar which was an eye opener for all the participants.

On behalf of the Department of Orthodontics, I would like to thank the chairman, principal, and vice-principal for their assistance in making this event a success. Our heartfelt gratitude goes out to everyone who played a role in making this one happen on a grand note.

Thanking you

The Report on CDE

With immense pleasure here I am presenting to you a report on a seminar which was conducted in the Department of Conservative and Endodontics. It gives me pride and honour to have conducted such a seminar which was an eye opener for all the participants.

The seminar topic is "**Writing a grant proposal**" which was held on 11-6-2018 at 11a.m to 12 p.m. It conducted with the support of our Honourable chairman Shri K.P. Ramesh Kumar along with Principal Dr. Anil Melath and Vice Principal Dr.Mohammed Feroz

Our speaker, **Dr. Sunil Jose** has shared his novel ideas and tricks on the topic. The vote of thanks was delivered by **Dr. Vivek**. On behalf of the Department of Conservative dentistry I would like to take this opportunity to thank our chairman, the principal and the vice-principal for supporting this event to happen in a grand manner.

Thanking you

(Dr George Thomas)

Through The Principal

With immense pleasure and joy, I would like to present you a report on a seminar which was conducted in the Department of Microbiology in association with Research committee -MINDS. I am so privileged to conduct such a Seminar which was an enriching programme for the staff and students.

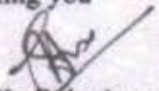

The seminar was conducted on the topic INTELLECTUAL PROPERTY RIGHTS (IPRs) - on "Alternatives of Animal Testing in Medical Research" 6-6-2018 at 11.00 am to 12 pm. It was a great success under the leadership of our Honourable chairman Shri K.P. Ramesh Kumar along with Principal Dr. Anil Melath and Vice Principal Dr. Mohammed Feroz.

The Seminar was opened with a welcome address by **Mrs. Anjali** who was our organizing chair person and the chief guest, our guest speaker **Dr. Sethu Raman** was introduced by **Dr. Shailaja Amur**.

Our guest speaker **Dr. Sethu Raman O.S** has enlightened the occasion by delivering his inspirational thoughts on above topic. It was an auspicious occasion to gain knowledge by our staff and students through the guest speaker.

The vote of thanks was delivered by **Mrs. Rajeswari**. This event was a successful with knowledge sharing. On behalf of the Department of Microbiology I would like to thank to each and everyone involved in making this programme a success.

Thanking you

The Report on CDE

It's a great pleasure to submit a report on the seminar held at the Department of Oral Surgery March 23, 2018 from 1.30 p.m to 2.30 p.m. With the continuous support of our Honourable Chairman Shri K.P. Ramesh Kumar, Principal Dr. Anil Melath, and Vice Principal Dr. MohammedFeroz, this event was a grand success.

The seminar began with a welcome note by **Dr. Ajoy Vijayan**, The Organizing chairperson and followed by the introduction of our guest speaker **Dr. Manoj kumar V** by **Dr. Prem Sasi kumar**.

Dr. Manoj kumar V, who happens to be a Professor at MINDS, enlightened the audience by sharing his rich insights on the new trends and their applications on the theme "**Publication Ethics**". It was an opportunity for our faculty and students to gain essential knowledge on the recent trends and the procedures involved on the topic discussed.

Nandhini B the vote of gratitude. Once again, on behalf of the Department of Oral Surgery, I thank the chairman, principal, and vice-principal for their assistance in making this event a grand success.

Thanking you

The Report on CDE

With great respect, I am glad to present a report on the seminar held in the Department of Anatomy. On January 10, 2018, from 1.30 p.m. to 2.30 p.m., a seminar was conducted.

Dr. Balakrishna., delivered his significant insights on new developments and their applications on the topic "**Invention of patent and myths**". This event seminar was a success, with time filled with knowledge exchanges.

Again, on behalf of the Department of Anatomy, I appreciate the chairman, principal, and vice-principal for their help in making this event a success. Our heartfelt gratitude goes into each and every one who helped to make this event happen in a big way.

Thanking you

(Dr Balakrishna)

With great respect, I am pleased to present you with a report on a seminar held in the Department of Paedodontics, on June 2, 2017, from 1.30 p.m. to 2.30 p.m.

Our speaker **Dr. Ambili Ayilliath** who happens to be the occasion by delivering her valuable points on "**Practice management in Paediatric Dentistry**". This event seminar was a successful one with time filled through exchanges of knowledge.

Again, on behalf of the Department of Paedodontics, I appreciate the chairman, principal, and vice-principal for their help in making this event a success. Our heartfelt gratitude goes out to everyone who helped make this one happen by chance.

Thanking you

The Report on CDE

With due respect, I am presenting you with a report on a seminar held in the Department of General Surgery. On April 18, 2017, from 1.30 p.m. to 2.30 p.m., a seminar on "**Ethics in medical practices**" was held.

Our speaker, **Dr. Babu Raveendran**, who happens to be the occasion by providing his valuable insights on new trends and their applications on the topic "**IPR on Ethics in medical practices**", took the opportunity to talk on the issue. Our faculty and students got excellent knowledge from our intellectual guest speaker, and it was a memorable occasion. This event seminar was a success, with time filled with knowledge exchanges.

Once again, on behalf of the Department of General Surgery, I express my gratitude to the chairman, principal, and vice-principal for their help in making this event a success. Our heartfelt gratitude goes out to everyone who helped make this one happen by chance.

Thanking you

The Report on CDE

With great respect, I am pleased to present you with a report on a seminar held in the Department of Orthodontics. On March 9, 2017, from 11.30 a.m. to 12.30 p.m. seminar was held.

Our guest speaker, **Dr. Goutham Kalladka**, delivered his significant insights on new developments and their applications on the topic "**Synopsis Writing**". This event seminar was a success, with time filled with knowledge exchanges.

Again, on behalf of the Department of Orthodontics, I appreciate the chairman, principal, and vice-principal for their help in making this event a success. Our heartfelt gratitude goes out to everyone who helped make this one happen by chance.

Thanking you

The Report on CDE

It brings me great pleasure to write a report on a seminar held at the Oral pathology on July 22, 2016 from 11.30 a.m to 12.30 p.m. (Friday). With the help and leadership of our Honourable Chairman Shri K.P. Ramesh Kumar, Principal Dr. Anil Melath, and Vice Principal Dr. Mohmmmed Feroz, the event was a huge success.

The seminar was started with welcome note by **Dr. Ashwin** organizing chairperson and our guest speaker **Dr. Selvamani** was introduced by **Dr. Rahul V.K.**

Dr. Selvamani, Reader at Oral pathology, MINDS, enlightened the audience by sharing his rich insights on new trends and their applications on "**Dental Practice and Medico legal Issues**". It was an opportunity for our faculty and students to learn essential knowledge.

Dr. Maria Cyriac gave the vote of gratitude. Once again, on behalf of the Department of Oral pathology, I appreciate the chairman, principal, and vice-principal for their assistance in making this event a success.

Thanking you
