Major heads of resources for the College at present is Donation, Corpus Donation, Tuition fee from Students, Out-patient treatment charges, Hostel Rent etc. Yearly budgeting is done under the direct supervision of Chairman. In the initial stages of establishment the College, when Building construction and acquiring Dental Equipments etc was necessary, major source of fund was loan from Bank, Corpus Donation from Trustees and Donation from Well wishers. Over the period of time, after completion of major construction works and acquiring equipments etc. are over, the funds are now required mainly to meet recurring expenditure like Salary, Amount for maintenance, Loan repayment, cost of Dental Consumables etc.. The Tuition Fee collected has increased over the years. There is increase in Out-patient numbers also. College is trying its best to provide, best facilities to patients and thereby to increase the treatment charges collected. Since major infrastructure works are over the amount of Corpus Donations etc. is now received at a lesser level only.

Best Dental Consumables are provided to Students for their practical work. Experienced Teaching Staff is appointed to give best education to the Students.
