OPPORTUNITIES PROVIDED FOR STUDENTS FOR MID COURSE IMPROVEMENT OF PERFORMANCE IN THE EXAMINATIONS

The following opportunities are provided to the students for midcourse improvement of performance:

1. TIMELY ADMINISTRATION OF CONTINUOUS INTERNAL EXAMINATION

Institution prepares the internal assessment time table well in advance and same will be communicated to the students at the beginning of the academic year. This enables the students to be aware of the examination dates and prepare for the examination without any surprise.

2. ON TIME ASSESSMENT AND FEEDBACK

Answer sheets will be evaluated by all the staff members of the department. Same question will be evaluated by assigned staff members for all the students. Answer paper will be distributed to the students and discussion will be held. Internal marks will be published within 10 working days. Constructive feedback for improvement of student performance in the examinations during distribution of papers.

3. MAKE UP ASSIGNMENTS/TEST

Students with interest to improve the performance are made to write up the assignment to improve subject knowledge.

4. REMEDIAL TEACHING AND SUPPORT

1. Remedial measures included with one to one discussion during practical/clinical hours
2. Extended library hours for students with unlimited access to books
3. Training students for examination with previous year question papers and question banks
4. Complete revision of portions done with students seminar and group discussions during clinical hours
