WHITE COAT DAY CEREMONY

DATE: 12.12.2022

VENUE: Lecture Hall 3

The white coat is an iconic symbol of the medical profession. Celebrating White Coat Day can help strengthen the professional identity of doctors and remind them of the noble calling they have chosen. It can also emphasize the importance of professionalism, ethics, and compassion in healthcare.

Our institution celebrated this day on the 12th of December of this year.

It was attended by the principal, Vice Principal, heads of the various Departments and other teaching faculties. The program started with an invocation by Ms. Malavika followed by Principal, Dr. Anil Melath's address to the gathering of third year BDS students. The Heads of Departments then addressed the students on various aspects of personal and professional integrity.

This was followed by the donning of White Coats to the representatives of the students of the batch by the Principal and Vice Principal. Dr. Anil Melath also requested the students to don their coats and repeat the Hippocratic Oath after him.

This year Dr. Raj AC, Prof and Head, Dept of Oral Medicine and Radiology spoke to the students on the art of effective patient management and Dr. Rajani Mary George, Professor and Head, Dept. of Public Health Dentistry, spoke on the Ethical aspects in Dentistry.

1ST BDS ORIENTATION DAY PROGRAMME

DATE:30.01.2023

VENUE: Navathara Mini Auditorium

Orientation day for dental fresher's holds significant importance for several reasons. It provides new dental students with an opportunity to get an overview of the curriculum, courses, and academic expectations as well as becoming familiar with the dental school, its campus, facilities, and resources. Other than providing information about the school's policies, rules, and regulations, it also serves as a platform for meeting professors, instructors, and administrative staffs to establish positive relationships.

This year the 1st BDS Orientation Day was held on the 30th of January at the Navathara Mini Auditorium of the institution. It began with an invocation by Dr. Sreya Mahesh, a Post graduate student. This was followed by Dr. Sharath Chandrashekar, Reader in the Dept. of Pedodontics welcoming all the dignitaries, faculties, parents and freshers'. A briefing on the course and the institutional rules and regulations was delivered next by the Principal- Dr. Anil Melath. The program was then officially inaugurated by the Chairman of the college and all the dignitaries.

The Vice Principal, Dr. Selvamani M addressed the gathering on various hostel rules and regulations. This was followed by the address of Mr. Gireesh Kumar, Lecturer in the Dept. Of Biochemistry on Anti Ragging. Dr. Jeena Sebastian, reader in the Dept. of Oral Medicine gave a briefing on Mentoring. Various first year Heads of the Departments spoke to the students on this occasion. Dr. DM Hemalatha, Senior Lecturer in the Dept. of Periodontics rendered the vote of thanks.
