PROGRAMME REPORT

To
The Chairperson,
CDE Committee

From
Dr Bastian TS
Prof & Head
Dept. of Oral Pathology & Microbiology

The workshop series titled "ODONTO IDENTIFICATION 2.0" conducted by the Department of Oral Pathology & Microbiology on March 25th, 2023, was a great success. The program commenced at 9 a.m. with registration, followed by a welcome address by Dr. Selvamani M. Dr. Anil Melath inaugurated the function by lighting the lamp and presented certificates of appreciation to the guest speaker, the toppers in DAOH in 2021-22 batch Dr. Selvamani M honored Dr. Anil Melath for his contribution and 10 years of leadership as principal of Mahe Dental College.

During the workshop session, Dr. Sudeendra Prabhu explained "Forensic Odontology" in detail, including techniques for Age estimation using GIMP software. The students enjoyed the workshop and cooperated well with the program. An interactive session followed the workshop.

The program concluded at 3:30 p.m. with a vote of thanks by Dr. ROSHIN.CN. Certificates were distributed to the participants after the final session, and random feedback was collected from the participants.

The image displays two identical screenshots of a Google Forms survey titled "FEEDBACK FORM | ODONTO IDENTIFICATION 1.0". The form is dated 26.12.2023 and is from the Department of Oral Pathology. It includes a thank-you message and a request for feedback to improve future sessions. The survey consists of several sections:

- 1. Whether the topic is relevant?** A 4-point Likert scale with radio buttons, where 4 is selected.
- 2. Whether the program adheres to the schedule?** A 4-point Likert scale with checkboxes: "Very well adhered" (checked), "Delayed in starting", "Prolonged presentation", and "Inappropriate time management".
- 3. Whether the audio/visual aid were adequate?** A 4-point Likert scale with radio buttons, where 4 is selected.
- 4. Whether the presenter used the audio/visual aid effectively for the Presentation?** A 4-point Likert scale with radio buttons, where 4 is selected.
- 5. Capacity of the presenters in conveying the topic?** A 4-point Likert scale with radio buttons, where 4 is selected.
- 6. Whether the presenters able to defend the interactive session?** A 4-point Likert scale with radio buttons, where 4 is selected.
- 7. Overall how do you evaluate the presentation?** A 4-point Likert scale with radio buttons, where 4 is selected.
- 8. Overall how do you evaluate the content of the program?** A 4-point Likert scale with radio buttons, where 4 is selected.
- 9. What do you feel good about the program?** A text input field with "Content" entered.
- 10. Any suggestions to improve the program in future?** A text input field with "No" entered.

At the bottom of the form, there is a "FULL NAME" field with "Dr. Bipin Kumar" entered, and a "Google Forms" logo.

Department of Orthodontics

CDE Programme-IN OFFICE ALIGNER WORKSHOP-Dec 5th-6th, 2022

REPORT

Dept of Orthodontics, Mahe Dental college, conducted a CDE workshop on in-office aligner setup on Dec 5th- 6th at Navatara auditorium. Resource person for the event were Dr Balaji Krishnan, HOD and Professor, Dept of Orthodontics, Tagore Dental College and Dr Parameswaran TM, Assistant Professor, Tagore Dental College, Chennai.

On the first day, the inaugural function commenced with lighting of the lamp and welcoming of guest speakers by the HOD, Dr Jithesh Kumar.

Our Principal, Dr Anil Melath addressed the gathering. An introduction of the guest speakers was given by Dr Panchami Marish. The vote of thanks was delivered by Dr Aswin. A total of 16 participants attended the programme.

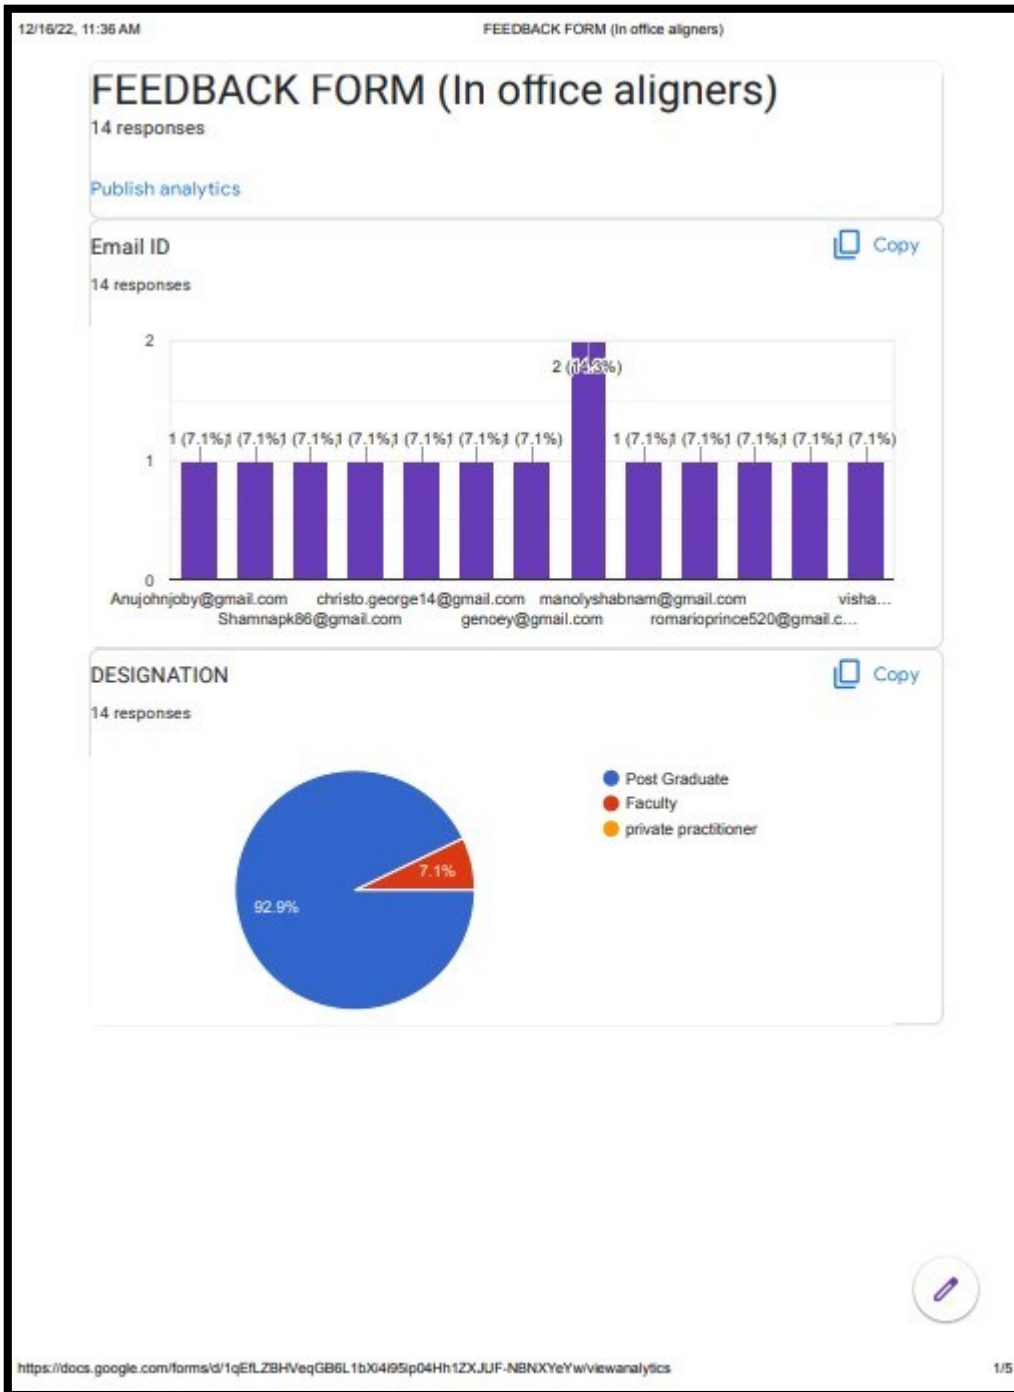

The first day of the programme started with an introduction class on clear aligners by Dr Balaji Krishnan. Afternoon session of the class was continued by Dr Parameswaran TM.

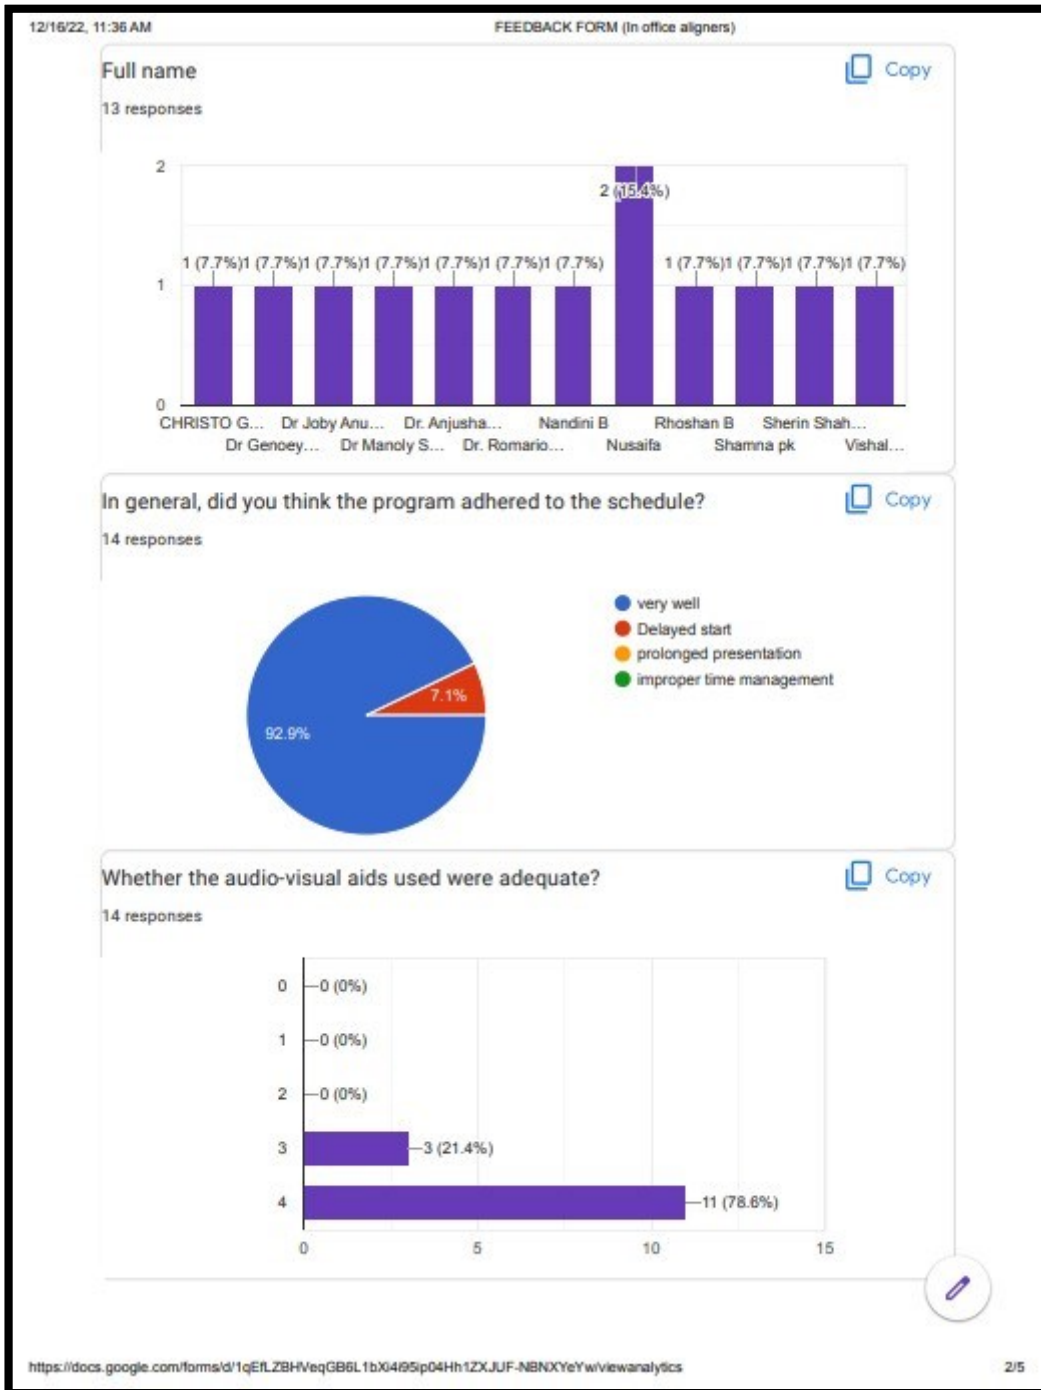

On the second day, lecture class by Dr Parameswaran was followed by hands on demo on intraoral scanning. This session was followed by a demonstration of 3D printing, forming and sectioning of aligner trays.

The programme was concluded by acknowledgement of the speakers by handing over the certificate of appreciation and memento. The participants were also awarded with certificates.

The programme was a huge success and was well appreciated by the participants. Feedback forms were collected from the participants.

Report

We take immense pleasure to inform you about the successful presentation of the IPR seminar to staff, interns & P.G students on 24/11/2022 at Navathara auditorium. It was inaugurated by Dr Raj, HOD, Department of OMR.

Topic: Laboratory investigations in Dentistry.

Speaker: Dr B. V. Muralidhara.

Laboratory tests relevant to clinical practice were discussed touching mainly upon Hematology including coagulation studies, Cytopathology, Histopathology with brief overview on Microbiology & Biochemistry tests. The lecture was well received with some interesting discussion about certain tests by our senior clinical colleagues.

We would like to thank our Honourable Chairman, Principal, Vice Principal & other concerned staff members for providing the infrastructure & support in making this programs a grand success.

Thanking you

PROGRAMME REPORT

To
The Chairperson,
CDE Committee

From
Dr Rena Ephraim
Prof & Head
Dept of Paedodontics & Preventive Dentistry

The CDE Programme On NOIS'22 conducted by the Dept of Paedodontics & Preventive Dentistry on 16/11/2022 was a great success. The Programme Started At 9:30am with registration and with The Blessings of Almighty. The Event Was Graced With The Presence Of Principal Dr.Anil Meleth, Vice Principal Dr.Selavamani M , The Guest Speaker For The day Dr.Raju Sunny , other Faculty Members And Post Graduate Students From the Institution And Other private practitioners. Dr.Rena addressed The Gathering and Welcomed All the Delegates to the Event. Dr.Raju Sunny gave a lecture on the topic "Nitrous oxide conscious sedation". Dr.Rena Ephraim handed over the memento to Dr.Raju Sunny as a token of appreciation for MINDS.

Dr.Sharath rendered the vote of thanks. A Live demo with an interactive session took place in the Undergraduate clinic explaining the participants about the conscious sedation unit followed by the participants demonstrating on each other. Lunch was served at 1:30pm .This was followed by hands-on (Administration of nitrous oxide on an uncooperative paediatric patient) for extraction procedure in the upper right quadrant. The programme ended by 4:30pm.

Subject: Invitation Letter-Guest Speaker

Dear Sir,

I am inviting you to our CDE programme on topic "Mission with vision" on 05.08.2022 to 06.08.2022 at Mahe institute of dental sciences and Hospital. Every year we conduct the said event for Post graduates and Faculties.

To have you as our guest speaker would be an honour to the people who will be there and the whole institution.

It is also our pleasure to inform you that we will take care of your travel and hospitality expenses.

Please contact our organizing chairman, Dr. George Thomas at 9448309129 if you have any queries.

We look forward to your response, and we hope you'll accept the invitation.

Yours Sincerely,

Dr. George Thomas (HOD).

PROGRAMME REPORT

To,
The Chairperson,
CDE Committee

From,
Dr. George Thomas
Professor & Head
Department of Conservative dentistry and Endodontics
MINDS, Mahe

The CDE program on topic "Mission with vision an advanced workshop on Micro Endodontics" was conducted by the Department of Conservative dentistry and Endodontics on 05th and 06th August 2022 was a great success. The program started at 9 am with registration. The CDE programme was inaugurated by Dr. Anil Melath by lighting the lamp. The speaker Dr. Praveen Rajesh explained in detail about a new technology of operating microscope that allows the root canal specialist to see the many details that are vital in endodontic treatment. The attention to detail and precision that is required in endodontic procedures is much helped by the use of these modern dental microscopes. After the tea break, started with the second session, the speaker gave a detailed lecture on finding hidden and accessory canals, locating and removing separated instruments, preserving more tooth structure, improving ergonomics for the clinician. On the second day, hands on workshop conducted for the participants using operating microscope. And the programme wound up at 2:00pm. Certificate for the participants were distributed after the final session and random feedback were collected from the participants.

Total No of participants: 30

The screenshot shows a Zoom meeting interface. At the top, a green status bar reads "You are viewing Prof. Dr. Eapen Thomas' screen" and "View Options". The main content is a presentation slide with a dark background and yellow and purple accents. The slide features two images: a gavel on the left with the word "LITIGATION" and a gavel on a red book labeled "CONSUMER PROTECTION" on the right. The central text reads "MEDICOLEGAL ISSUES IN DENTAL PRACTICE ..!". Below this, the speaker's name "DR EAPEN THOMAS" is displayed, followed by his title "Professor & HOD, Dept of OMFS" and affiliation "Pushpagiri College of Dental Sciences, Kerala". A small video window on the right shows Prof. Dr. Eapen Thomas. At the bottom, the Zoom control bar includes icons for Unmute, Start Video, Security, Participants (44), Polls, Chat, Share Screen, Pause/Stop Recording, Reactions, Apps, More, and an End button. A notification bubble in the bottom right corner says "NEW Introducing Zoom Apps" with the text "Discover and add apps to enhance your Zoom experience".
