**Report on Career Guidance Cell Program**

The Career Guidance Cell of **MINDS** successfully organized a program for interns on **Practice Management Skills** on [Insert Date]. The session aimed to equip interns with the foundational knowledge and skills essential for managing and setting up a clinical practice.

**Highlights of the Program**

- **Resource Person:** The session was conducted by **Dr. Subair**, who shared his extensive experience and insights into the various aspects of clinical practice.
- **Topics Covered:**
  - Essentials of starting a dental clinic.
  - Effective management of clinic operations.
  - Patient communication and retention strategies.
  - Financial planning and investment in practice infrastructure.

Dr. Subair's interactive approach and real-life examples provided a practical understanding of practice management, making the session highly engaging and informative.

A total of **41 interns** attended the program. Their active participation and enthusiasm reflected their keen interest in acquiring these critical skills for their professional journey.

The program received an overwhelmingly positive response from the interns. Many appreciated the relevance of the topics and the practical tips shared by Dr. Subair. Suggestions were made to conduct similar sessions covering advanced topics in practice management and patient care.

Chairperson: Dr Bastian TS

Convener: Dr Raj AC
