POST EVENT REPORT

Mahe dental college Alumni Association in association with Department of Public Health Dentistry and career Guidance Cell jointly organized the 41st cognizance webinar on 23.01.2025– Sunday at 6:00 pm onwards in Zoom Platform.

The session was welcomed by Dr. Akash, senior lecturer in the department of public health dentistry. Dr. Rajani Mary George, Prof and Head, Dept. of Public Health Dentistry, MINDS, introduced the speaker – Dr. Pravish V, who is a registered Oral and maxillofacial surgeon at Sree Anjaneya Institute of dental sciences.

The session on art and science of dental extractions was well attended by over 60 enthusiastic students and faculty members of the institution.

Dr. Pravish shared valuable information, insights and practical difficulties sparking engaging discussions and interactive exchanges between the participants.

The session was concluded by the display of certificate of appreciation for the speaker by the convener– Dr. Roshin CN, which was followed by a Vote of Thanks by Dr. Akash, Senior Lecturer, Dept. of Public Health Dentistry.

Post Event Report on Cognizance Webinar 40

The Mahe Institute of Science and Hospital (MINDS) Dental Education Department, in association with the Mahe Dental College Alumni Association and the Department of Prosthodontics and Crown & Bridge, successfully conducted the Cognizance Webinar 40 on 23rd December 2024 at 6:00pm onwards. The event featured a distinguished guest speaker, Dr. Shanker Madhavan, Professor and Head of the Department of Prosthodontics, Sree Anjaneya Institute of Dental Sciences, Calicut, Kerala. He delivered an insightful session on the topic, "Treatment of TMD Derangement of the Condyle-Disk Complex."

The webinar witnessed active participation, with over 80 attendees, including students, faculty members, and alumni. Dr. Murshidha, a second-year postgraduate student, skillfully hosted the program as the master of ceremonies.

The session commenced with a warm welcome address by Dr. Prasad Aravind, Professor and Head of the Department of Prosthodontics, MINDS. Dr. Prasad highlighted the significance of the topic and set the tone for an engaging and informative session.

Dr. Shanker Madhavan captivated the audience with his in-depth knowledge and practical insights into the management and treatment of temporomandibular joint (TMJ) disorders, focusing on derangement of the condyle-disk complex. His presentation provided valuable perspectives on diagnosis, treatment planning, and clinical techniques, enhancing the participants' understanding of this critical aspect of dentistry.

Following the presentation, an interactive session allowed participants to clarify their doubts with the speaker, further enriching the learning experience.

Dr. Roshan, Convenor of the Dental Education Department, presented a certificate of appreciation to Dr. Shanker Madhavan as a token of gratitude for his enlightening presentation.

The event concluded with a heartfelt vote of thanks delivered by Dr. Unni, who expressed appreciation to Dr. Shanker Madhavan for his valuable insights, as well as to the organizing team, including Dr. Roshan and Dr. Jillu Abraham, for their efforts in making the webinar a success.

The Cognizance Webinar 40 was a resounding success, fostering a spirit of learning and collaboration while contributing significantly to the academic and professional growth of all attendees.

The screenshot shows a mobile application interface. At the top, a status bar displays the time 7:19, signal strength, Wi-Fi, and battery level at 45%. Below the status bar is a presentation slide titled "DIAGNOSTIC STEPS FOLLOWING DENTAL TRAUMA". The slide content includes a "REC" icon, a red arrow icon, and the text "Dental history". Below this is a bulleted list of diagnostic steps: Neurological evaluation, Clinical examination of head and neck, Oral examination, Soft tissue examination, Hard tissue examination, Pulp Vitality, and Radiographs. The slide has a green and white background with a geometric pattern.

Below the slide is a dark-themed "Participants (100)" list. The list includes the following entries:

- Participant 1: Name partially visible, with a red microphone and video camera icon.
- Participant 2: K Krishnapriya, with a red microphone and video camera icon.
- Participant 3: M4 Mohanarangan 4th year, with a red microphone and video camera icon.
- Participant 4: N Naganandhini.K, with a red microphone and video camera icon.
- Participant 5: NI Neha's iPhone, with a red microphone and video camera icon.
- Participant 6: N Niranjana, with a red microphone and video camera icon.
- Participant 7: NA Nothing A142, with a red microphone and video camera icon.
- Participant 8: OC OnePlus CPH2573, with a red microphone and video camera icon.

At the bottom of the screen is a navigation bar with the following icons and labels:

- Unmute: A microphone icon with a red slash through it.
- Start video: A video camera icon with a red slash through it.
- Participants: A group of people icon with the number 100.
- Chat: A speech bubble icon with a red notification badge containing the number 1.
- Reactions: A heart icon.
- Share: A share icon.

The screenshot displays a mobile application interface. At the top, the time is 7:19 and the battery level is 45%. The main content area shows a presentation slide titled "DIAGNOSTIC STEPS FOLLOWING DENTAL TRAUMA". Below the title, there is a "REC" button and a "Dental history" section with a list of diagnostic steps:

- Neurological evaluation
- Clinical examination of head and neck
- Oral examination
- Soft tissue examination
- Hard tissue examination
- Pulp Vitality
- Radiographs

Below the slide, there is a "Participants (100)" list. The list includes the following names and initials:

- P.R.Aparna
- PRASANNA DEVI
- Rahfa ismail
- RAHUL KRISHNA M

Number of Attendees: 100

Target Audience: Final-year BDS students, Postgraduates

Overview

The 38th webinar on **Management of Injuries in Primary Dentition—A Structured Approach** was held on 25/10/2024 to briefly describe the management approach depending on the type and severity of the injury, addressing these injuries effectively and thus supporting the child's overall well-being.

Agenda

1. **Introduction** – Dr. Raj. A.C
2. **Host:** Dr. sreelakshmi
3. **Introduction of speaker:** Dr. Rena Ephraim
4. **Presentation:** Dr. Anupam Kumar T.V
5. **Q&A Session**
6. **Closing Remarks** -Dr. Ambili Ayillath

Conclusion

Overall, the webinar was successful. We appreciate all participants for their involvement and contributions. Thank you to our speaker and the organizing team for making this event possible.

DEPARTMENT OF ORTHODONTICS **REPORT- COGNIZANCE WEBINAR 2024**

Department of orthodontics, MINDS, conducted a COGNIZANCE webinar in Zoom platform on the topic “AN OVERVIEW OF MANAGEMENT OF SKELETAL MALOCCLUSIONS” on 26th September 2024, from 7:00pm onwards.

The session had started by 7:00pm, with an introduction by Dr Aravind Haridas, Senior Lecturer, Dept of Orthodontics. Following this Dr Raj AC, CDE convener and HOD, dept of Oral Medicine and radiology addressed the gathering.

Dr Aravind Haridas introduced the speaker for the day, Dr Ravishankar Vijayan, assistant professor, GDC Thrissur.

The session commenced with a presentation on an overview of the topic by Dr Ravishankar. Case illustrations and case selection on the topic were discussed in detail.

A Q & A session was followed up after the presentation. Dr Roshin CN, Reader, dept of Oral Pathology & Microbiology displayed the certificate of appreciation for the speaker.

The session ended with a vote of thanks by Dr Aravind Haridas.

The link for the Feedback form was displayed in the chat box and certificates were sent through mail Ids.

Subject: Invitation Letter- Guest Speaker.

Respected Dr. Lakshmi Puzhankara,

We are planning to conduct a webinar series –Cognizance, at our institution MINDS in association with the MINDS Alumni Association on our zoom platform **25.07.2024(Thursday) at 07:30 PM**

To have you as our guest speaker would be an honor to the people who will be there and the whole institution. We look forward to your response, and we hope you'll accept the invitation to deliver a webinar on the topic "The Dimensional Conundrum-Biologic width Invasion and Ramifications."

We are sure our students will definitely benefit from your lecture immensely. Please contact our Programme Co-ordinator Dr. Sharath Chandrashekhar, at 08138040632 if you have any queries.

Thanking you,

Yours faithfully,

Dr. Anil Melath,
