Date: 24/04/2025-25/04/2025

Venue: DEPARTMENT OF ORTHODONTICS AND DENTOFACIAL
ORTHOPEDICS, MINDS

The Department of Orthodontics and Dentofacial Orthopedics, MINDS, MAHE, successfully organized a two days STUDENT EXCHANGE PROGRAM with TAGORE DENTAL COLLEGE CHENNAI.

The event aimed at providing students the chance to experience diverse clinical practices, enhance cultural competence, encourage research and academic collaboration, improve communication skills and broaden career perspectives. A group of 4 students from Tagore Dental College participated in the program, which featured a series of academic lectures, clinical observation sessions.

Day 1 commenced with warm welcoming of the students by Dr. ANIL MELATH (Principal MINDS), Dr. SELVAMANI.M (Vice principal MINDS), Dr. JITHESH KUMAR.K (HOD Department of Orthodontics and Dentofacial Orthopedics) and other faculties and postgraduate students of department of orthodontics. Participants had the opportunity to observe live orthodontic procedures and case discussions led by the postgraduate students and faculty of MINDS.

Day 2 was dedicated to interactive workshops on cephalometric analysis and the use of Clear aligner therapy. The exchange concluded with a feedback session and certificate distribution, where both faculty and students expressed appreciation for the opportunity to collaborate and learn.

The program successfully enhanced academic knowledge, strengthened inter-institutional ties, and offered a platform for cultural and professional exchange. Both institutions expressed interest in continuing this collaboration through future academic activities and reciprocal visits.
