ABOUT ICARE - hs

Prepare to embark on a one-day exploration of the future of healthcare at the prestigious International Conclave on AI and Robotics for Enabling Healthcare Singularity (ICARE-hs) 2024.

This international conclave convenes renowned academicians, pioneering researchers, and industry leaders to delve into the transformative synergy between artificial intelligence and robotics in healthcare.

Witness cutting-edge advancements in AI-powered diagnostics and explainable AI, where algorithms become invaluable partners in precise diagnosis. Engage in thought-provoking dialogue concerning the ethical considerations intertwined with this groundbreaking technological leap.

Together, we will delve into the intricate interplay between human expertise and machine intelligence, shaping a future where equitable access to this transformative potential ensures a brighter era of well-being for all.

CALL FOR RESEARCH PAPERS ON

APPLICATION OF AI AND ROBOTICS IN HEALTHCARE

Best Paper Awards

will be presented to both

Hridayalaya Heart and Robotic Research Centre

Hridayalaya Heart and Robotic Research Centre is a non-governmental, voluntary, secular, charitable organization formed by service-oriented professionals to provide easily accessible, affordable and high-quality medical and related services to the public. Hridayalaya promotes the use of the latest technologies like AI and Robots in the healthcare sector to perform diagnostic and surgical procedures, aid rehabilitation, cardiovascular diseases diagnosis, monitoring and analyzing risk factors etc for bringing safer, efficient treatment and personalized patient care. www.hthroboic.com

DIGITAL UNIVERSITY KERALA (DUK)

The Digital University Kerala (DUK) is Kerala's pioneering institution dedicated to advancing education and research in the realms of digital technologies and innovation. It envisions itself as a global leader in digital education, nurturing future generations with the skills and knowledge to develop sustainable solutions for societal challenges. DUK fosters an environment of collaboration and entrepreneurship, offering programs in various disciplines through computing, intelligence, sustainability and entrepreneurship themes. www.duk.ac.in

GENETIKA CENTRE FOR ADVANCED GENETIC STUDIES

Genetika Centre for Advanced Genetic Studies, Kerala's first ISO-certified centre for genetic studies, empowers individuals with accurate and accessible genetic information. Backed by state-of-the-art technology and ethical research practices, they delve into the mysteries of DNA to unlock its connection to health, diagnosis, and cutting-edge research. From prenatal diagnosis to personalized treatment plans, Genetika stands at the forefront of genetic advancements, committed to improving human well-being and shaping the future of healthcare and genetic research. www.genetika.in
