PROGRAM REPORT

Title of the Program: Problem-Based Learning

Category: Quality Improvement Program (QIP)

Date: 15.01.2025

Audience: Teaching Faculty

Venue: Navathara

Resource Person: Dr. Selvamani M

Timing: 9:00 AM – 10:00 AM

Number of Participants: 61

Report:

A Quality Improvement Program on “Problem-Based Learning” was conducted for the teaching faculty on 15th January 2025 at Navathara. The session was facilitated by **Dr. Selvamani M**, Professor & HOD, Department of Oral Pathology who explained the principles, methodology, and practical application of Problem-Based Learning in academic teaching.

The session highlighted the importance of student-centered learning, formulation of problem triggers, facilitation strategies, and methods to enhance critical thinking and collaborative learning among students. Faculty members actively participated and engaged in discussions throughout the program.

A total of 61 participants attended the session. The program contributed to enhancing teaching strategies and promoting effective learning methodologies among the faculty.

PROGRAM REPORT

Title of the Program: Case-Based Learning
Category: Quality Improvement Program (QIP)

Date: 09.09.2024

Audience: Clinical Department Faculty

Venue: Navathara

Resource Person: Dr. Raj A.C

Timing: 9:00 AM – 10:00 AM

Number of Participants: 47

Report:

A Quality Improvement Program on “Case-Based Learning” was conducted on 9th September 2024 for the clinical department faculty at Navathara. The session was delivered by **Dr. Raj A.C**, Professor, Department of Oral Medicine and Radiology, who emphasized the significance of case-based teaching in enhancing diagnostic reasoning and clinical decision-making.

The resource person explained how structured case discussions can help integrate clinical findings, radiographic interpretations, and evidence-based management. The session also highlighted the role of case-based learning in improving student engagement, fostering clinical judgment, and bridging the gap between theory and practice.

A total of 47 faculty members participated actively in the program. The session was informative and contributed to strengthening clinical teaching methodologies within the department.
