ANALYTICAL SKILL DEVELOPMENT

POST EVENT REPORT

An insightful lecture and interactive session on “**Biostatistics for Dental Research**” was conducted on 6th May 2025 for the **final year BDS students** as part of the **Analytical Skill Development** initiative. The session aimed to enhance students' understanding of statistical tools and their application in dental research.

The speaker, **Dr. Teenu Thomas** from the **Department of Public Health Dentistry**, delivered a comprehensive talk that demystified core biostatistical concepts, making them accessible and relevant for budding dental professionals. The session also included interactive segments where students actively participated, clarified doubts, and discussed research-related scenarios.

The event was well-attended, and students found it highly beneficial in strengthening their research methodology foundation — a critical skill for evidence-based clinical practice.

A handwritten signature in black ink, appearing to be "Dr. Anil Melath".

LANGUAGE AND COMMUNICATION SKILL DEVELOPMENT

POST EVENT REPORT

A lecture on “**Tailoring Communication for Patients with Special Needs**” was conducted on 13th March 2025 (Thursday) at 9:30 am in Navatara Hall as part of the Language and Communication Skills program for interns. The session was delivered by **Dr. Anil Melath** from the Department of Periodontics, who shared insightful strategies on effectively communicating with patients requiring special attention, emphasizing empathy, clarity, and adaptability in clinical settings. The event was well-attended by interns and proved to be an enriching experience, enhancing their understanding of patient-centered communication.

YOGA AND WELLNESS SKILL DEVELOPMENT

POST EVENT REPORT

A Value Added Course on **Yoga** commenced on 21st May 2025 (Wednesday) at 6:45 am in the Navatara Auditorium with the aim of promoting physical fitness, mental well-being, and stress management among students. The course was conducted by **Dr. Prasad Aravind**, Professor and Head of the Department of Prosthodontics, who emphasized the importance of incorporating yoga into daily life for improved concentration, posture, and emotional balance. Through a series of guided sessions, students were introduced to basic yoga asanas, breathing techniques, and relaxation practices. The initiative received a positive response from participants, who found the sessions both rejuvenating and informative. The program successfully encouraged students to adopt a healthier and more mindful lifestyle amidst their academic responsibilities.

SOFT SKILL DEVELOPMENT

POST EVENT REPORT

Venue: lecture hall 4

Date:30/05/2025

A lecture and interactive session on **“Infection Control and Ethical Guidelines”** was conducted on **30th May 2025 (Friday) at 2:00 pm** in LH-4 as part of the **Soft Skill Development program** for third and final year BDS students. The session was delivered by **Dr. Panchami Marish** from the Department of Orthodontics, who highlighted the importance of maintaining strict infection control protocols and adhering to ethical standards in clinical practice. The session covered key topics such as sterilization procedures, patient safety, confidentiality, and professional conduct. Students actively participated in the discussion, making the session engaging and informative. The program was well-received and provided valuable insights that will enhance the students’ preparedness for responsible clinical practice.

PERSONALITY AND PROFESSIONAL SKILL DEVELOPMENT

POST EVENT REPORT

Venue: Navatara hall

Date: 11/03/2025

A lecture and interactive session on “**Decision Making and Critical Thinking**” was successfully conducted on **11th March 2025** (Wednesday) at **9:00 am** in **Navathara Hall** as part of the **Personality and Professional Development program** for interns. The session was led by **Dr. Megha B** from the Department of Oral Medicine and Radiology, who engaged the participants with practical approaches and real-life scenarios to enhance their analytical thinking and decision-making abilities in clinical and professional settings. The program encouraged active participation, self-reflection, and critical discussion, making it a highly informative and thought-provoking experience. Interns found the session valuable in strengthening their confidence and judgment in handling responsibilities efficiently.

EMPLOYABILITY SKILL DEVELOPMENT

POST EVENT REPORT

VENUE: Lecture Hall-4

DATE:09/04/2025

A lecture and interactive session on “**Patient Management Skills in Clinics**” was conducted on **9th April 2025** (Wednesday) at **9:30 am** in LH-4 as part of the **Employability Skill Development** program for final-year BDS students. The session was led by **Dr. Abinav Mohan** from the Department of Prosthodontics, who shared practical insights on effectively managing patients in a clinical setting. Key topics included building patient rapport, handling difficult situations with empathy, and ensuring clear communication during treatment planning. The interactive format encouraged active student participation, making the session highly engaging and informative. Overall, the program was well-received and proved to be a valuable learning experience for enhancing clinical confidence and professionalism.
