Subject: Request for Change of FDP Data Submission Date from 27th March to 29th March

Respected Sir/Madam,

I am writing to request an extension for the **Faculty Development Program (FDP) data submission deadline** from **27th March to 29th March**. This request is being made due to, the rescheduling of the FDP session to **28th March**, as our invited speaker, **Dr. Sr. Vineetha Tom, Senior Psychiatrist, CIMHANS**, is only available on that day.

Since the FDP session will now take place on **28th March**, we require additional time to compile and submit the relevant data accurately. Therefore, I kindly seek your approval to extend the submission deadline to **29th March**.

I appreciate your consideration of this request and look forward to your kind approval. Please let me know if any further information is required.

Thank you for your support.

Subject: Request for Conducting FDP on 28th March

Respected Sir/Madam,

I am writing to request approval for conducting the Faculty Development Program (FDP) on 28th March instead of the previously planned date. This change is necessary as our esteemed speaker, Dr. Sr. Vineetha Tom, Senior Psychiatrist, CIMHANS, is available only on 28th March.

Dr. Sr. Vineetha Tom's expertise in psychiatry will provide valuable insights to the faculty, and we wish to ensure her participation by scheduling the FDP on a date that aligns with her availability.

I kindly seek your approval for this change and any necessary arrangements for the revised schedule. Please let me know if any additional formalities are required.

Thank you for your time and consideration.

Faculty Development Programme Report

Date: 28th March 2025 (Friday)

Venue: Navatara Auditorium

Organized by: Staff Welfare and Development Committee & Department of Prosthodontics, Crown and Bridge

The Faculty Development Programme (FDP) was successfully conducted on the 28th of March, 2025, at the Navatara Auditorium, Mahe Institute of Dental Sciences and Hospital. The session was graced by the presence of **Dr. Vineetha Tom, MD Psychiatry**, a renowned psychiatrist from CIMHANS, where she has been serving for the last 20 years. She currently holds the position of Chief Psychiatrist at the institute.

A total of **34 faculty members** from Mahe Institute of Dental Sciences and Hospital actively participated in the programme. The FDP was meticulously planned and executed by the **Staff Welfare and Development Committee** in collaboration with the **Department of Prosthodontics, Crown and Bridge**.

Dr. Vineetha Tom delivered an insightful session, focusing on the mental well-being of faculty members, stress management techniques, and strategies for enhancing teaching efficiency while maintaining psychological resilience. She emphasized the significance of work-life balance and provided practical solutions to manage academic and clinical responsibilities effectively. The interactive session allowed faculty members to engage in meaningful discussions, share their experiences, and seek professional guidance on maintaining mental health.

The event concluded with a vote of thanks, expressing gratitude to **Dr. Vineetha Tom** for her invaluable contribution and to all faculty members for their enthusiastic participation. The programme was well-received and highly appreciated by the attendees, with positive feedback highlighting the relevance and impact of the session.

This FDP reinforced the institution's commitment to faculty welfare and professional growth, ensuring a supportive and mentally enriching work environment for educators.

Thank you for your Support

POST EVENT REPORT

Mahe dental college in association with Department of Public Health Dentistry jointly organized the Faculty Development program on 24.02.2025—Monday at 9:30 am onwards in Lecture hall III of minds.

The session was welcomed by Dr. Akash, senior lecturer in the department of public health dentistry. Dr. Rajani Mary George, Prof and Head, Dept. of Public Health Dentistry, MINDS, introduced the speaker – Dr. Rajula R S, who is a registered Ayurveda doctor practicing in Sri Rajiv Gandhi Ayurveda college, Chalakkara, Mahe.

The session on the topic “Ayurveda for lifestyle wellness” was well attended by over 40 enthusiastic faculty members of the institution while over 30 participants filled the feedback form.

Dr. Rajula shared valuable information, insights and practical difficulties sparking engaging discussions and interactive exchanges between the participants.

The session was concluded by the presentation of a certificate of appreciation for the speaker by Dr. George, HOD of Department of Conservative dentistry and endodontics which was followed by a Vote of Thanks by Dr. Akash, Senior Lecturer, Dept. of Public Health Dentistry.

POST EVENT REPORT

Event Details:

- Date : 17/1/2025
- Venue : Zoom Online platform
- Participants : Faculties from various dental institution

Objective:

The primary objective of this program was to equip faculty members with the knowledge and skills necessary to integrate gamification into undergraduate dental education, enhancing student engagement, motivation, and learning outcomes.

Program Overview:

The program featured a mix of lectures, workshops, and interactive sessions, covering topics such as: - Introduction to gamification and its applications in dental education - Designing gamified learning experiences for undergraduate dental students - Using game design elements to enhance student engagement and motivation - Assessing the effectiveness of gamification in dental education - Best practices for implementing gamification in undergraduate dental education

Keynote Speaker : Dr Subalekshmi , Professor , Malabar Dental College & Research center

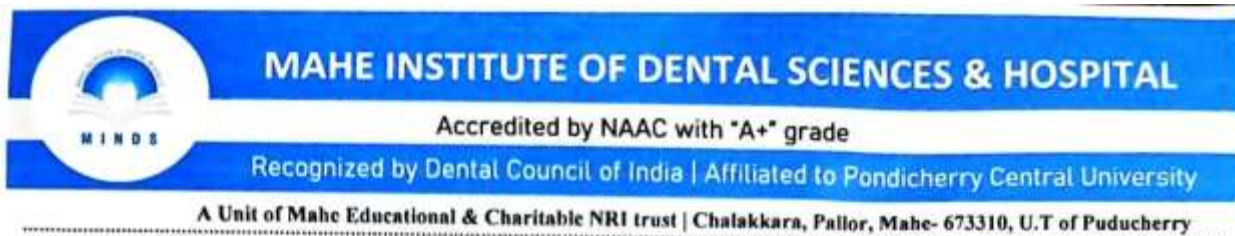

Programme Highlights:

The program achieved its objective of equipping faculty members with the knowledge and skills necessary to integrate gamification into undergraduate dental education. The program highlighted the need for further research on the effectiveness of gamification in dental education. Participants recommended that similar programs be organized in the future to provide ongoing support and training for faculty members.

The faculty development program on 'gamification in undergraduate dental education' was a resounding success, providing faculty members with the knowledge, skills, and confidence necessary to integrate gamification into their teaching practices.

Post Event Report:

Faculty Development Programme on "PO CO PSO Attainment"

Organized by:
IQAC

Date: 10th January 2025

Venue: LH-4, MINDS

Resource Person:

Dr. Amith Adyanthaya

Professor & Head, Department of Pedodontics and NAAC Coordinator,

KMCT Dental College, Calicut.

IQAC successfully organized an FDP on 10th January 2025 on the topic "PO CO PSO Attainment." The event aimed to provide participants with an in-depth understanding of the principles and applications of Programme as well as course outcomes as part of our curriculum.

The inauguration commenced at 9:15 AM, graced by the presence of Multiple faculties from the KMCT Dental College as resource person and moderators. The event was also attended by Dr. Anil Melath M, Principal, and Dr. Selvamani, Vice Principal, MINDS, who extended their support and appreciation for the initiative.

Around 24 participants actively took part in the program. Speaker Dr Amith Adyanthaya along with two Moderators, Dr Anju R. V and Dr Vidhya Vijayan, Senior lecturer from Dept of Pedodontics, KMCT, spoke about the Outcome based education. Sir elaborated on what is outcome based education, and its implementations in each Departments. Sir also made everyone actively do the workshop on how to implement these into daily routine teaching with all PO CO PSO through the lesson plans. The last part was on the matrix mapping. All these can give ideas on student assessments which can help both teachers and students get better understanding of the subject thereby bring up better outcomes.

The program concluded at 3:00 PM with a valedictory session, where the organizing team expressed gratitude to the speaker, participants, and supporting faculty members for their valuable contributions.

REPORT ON FDP CONDUCTED BY
DEPARTMENT OF GENERAL PATHOLOGY & DEPARTMENT OF
BIOCHEMISTRY
MINDS

Date-24/09/24

A Faculty development program was conducted by Department of General Pathology & Department of Biochemistry on 24-09-24 at 9.00 AM in the Navatara Auditorium, MINDS. Topic for the program was selected as "Laboratory investigations relevant to dentistry." The speaker for the program was Dr.B.V.Muralidhara, HOD, Dept. Of General Pathology.

The program was started at 09.00 AM and ended at 09.55 AM. Around 36 participants participated in the program. Participants include Medical professionals, Dental professionals and Dental post graduate students. The program was very interesting, informative, interactive and lively.

Through the interactive section Dr. Bastain HOD, Oral Pathology added the relevance of topic in the present scenario. Many Post Graduate Dental students clarified their doubts in the interactive section.

At the end of the program Dr.Manohar Harla, HOD Department of Pharmacology, MINDS, awarded the appreciation certificate to speaker Dr.B.V.Muralidhara.

On the basis of feed-back and response from the participants the program was excellent.

Thanking you
