U.T. of Puducherry. Ph : 0490 2337765

Mahe Institute of Dental Sciences has organized various programs aimed at fostering an inclusive environment. The institution undertakes multiple initiatives to promote tolerance and harmony across cultural, regional, linguistic, communal, socio-economic, and other forms of diversity.

➤ **UNIFORM DRESSCODE**

To instill a sense of equity among all students, the institution implements a uniform dress code for both students and staff on campus. Mahe Institute of Dental Sciences also offers a vibrant platform for students to showcase their innate talents through annual cultural events and enhances their mental focus and well-being by encouraging regular participation in sports activities.

➤ **STUDENT ADMISSION**

The institution serves as a regional hub for students not only from Mahe and Puducherry but also from various parts of the country and abroad. It brings together students from diverse cultural and linguistic backgrounds, fostering a rich and inclusive learning environment.

➤ **COMMUNAL HARMONY**

Communal harmony forms a core part of our college ethos. By embracing diversity, promoting mutual understanding, and encouraging respectful dialogue, we strive to cultivate an inclusive environment that celebrates unity in diversity. Together, we foster a vibrant community that values and respects each individual's unique background and perspective.

Chalakkara, P.O. Pallor, Mahe-673 310

U.T. of Puducherry. Ph : 0490 2337765

➤ **ETHICAL VALUES**

To promote inclusiveness among newly admitted students, ragging is strictly prohibited. The college maintains an anti-ragging environment, which helps foster a sense of safety, confidence, and belonging among students, while also reassuring their parents. The institution also lays a strong foundation for ethical decision-making and guides students in developing responsible behavior both personally and professionally.

➤ **MINDS NEST**

The college maintains a platform called *MINDS NEST*, where detailed records of each student are securely stored. In the event of any conflict arising between students due to differences, the student cell intervenes and facilitates resolution through mentoring and guidance.

➤ **SERVICE TO THE ECONOMICALLY UNDER PRIVILEGED**

Regular dental camps are conducted in rural areas to ensure that underprivileged communities in and around the Mahe region receive essential dental care. Each year, the college also organizes awareness programs on oral hygiene, blood donation, anti-tobacco initiatives, and general dental health at various institutions and schools. Additionally, the institution has undertaken measures to provide comprehensive healthcare services to economically disadvantaged populations in nearby districts.

U.T. of Puducherry. Ph : 0490 2337765

UNIFORM DRESS CODE:

To promote a sense of equity among all students, the institution enforces a uniform dress code for both students and staff on campus. Mahe Institute of Dental Sciences also offers a dynamic platform for students to showcase their innate talents through annual cultural events. Additionally, the college encourages regular participation in sports activities to enhance students' mental well-being and concentration.

COMMUNAL HARMONY

Communal harmony is a core value of our college ethos. By embracing diversity, fostering mutual understanding, and encouraging respectful dialogue, we strive to create an inclusive environment that celebrates unity in diversity. We cultivate a vibrant community where every individual's background and perspective is valued and respected.

The college celebrates national festivals such as Diwali, Onam, and Pongal, along with events like Fresher's Day, College Day, and various cultural programs. These occasions provide students with opportunities to connect, interact, and celebrate together—transcending boundaries of religion, caste, and creed.

ETHICAL VALUES: To promote inclusiveness among the newly joined students ragging has been prohibited. The college environment ensures an anti-ragging zone which is an add-on in building up the confidence and a feeling of safety and familiarity for the students as well as the concerned parents of the newly joined students. The institution provide a foundation for making moral decisions and guide behavior in personal and professional settings.

POST EVENT REPORT

ANTI RAGGING AWARENESS WEEK AND ANTI RAGGING AWARENESS DAY

Date: 12-08-2024 to 17-08-24 Time: 10.00 am to 11.00 am

Venue: Navatara Auditorium

Mahe Institute of Dental Sciences & Hospital (MINDS) observed Anti-Ragging Week and Anti-Ragging Day from August 12 to 17, 2024, through a series of impactful events promoting awareness and a ragging-free campus.

The week began with an inaugural function and lamp-lighting ceremony on August 12. An awareness class was conducted for first-year students to educate them on the consequences of ragging, stressing the need for a respectful campus culture.

Principal Dr. Anil Melath addressed the gathering, highlighting the institution's zero-tolerance policy and steps taken to prevent ragging. Vice Principal Dr. Selvamani M spoke on "Understanding Ragging and Its Prevention," explaining forms of ragging, its effects, and prevention strategies like mentorship and awareness campaigns.

Dr. Raj A C discussed the psychological impact of ragging on victims and perpetrators, offering ways to manage trauma and provide support. Dr. Lino Paul explained the legal framework, institutional policies, and procedures for reporting and addressing ragging cases. The day concluded with the national anthem.

On August 13, Dr. George Thomas conducted a session on "Student Etiquette in Context to Ragging," encouraging students to build a respectful and inclusive community. Dr. Rajini Mary George delivered a talk on "Ethical Conduct among Professional Students," focusing on core values essential in dental practice and professional life.

A poster competition on August 14, themed "Ragging and Its Consequences," creatively engaged students and helped spread awareness. Winners were awarded for their impactful messages.

The week concluded on August 17 with the projection of an anti-ragging awareness video, reinforcing the importance of maintaining a safe, inclusive, and respectful campus for all.

POST EVENT REPORT ANTI RAGGING AWARENESS PROGRAMME RAGGING AND ITS CONSEQUENCES

Date: 08-10-2024

Time: 09.00 am

Venue: Navatara Auditorium

Mahe Institute of Dental Sciences & Hospital (MINDS) conducted Anti-Ragging Awareness programme, 'Ragging and Its Consequences' on 8th October, 2024 targeting the supplementary undergraduate students as well as the first & second year postgraduate students.

Dr. Selvamani M, Vice Principal, commenced the session with a warm welcome, emphasizing the importance of creating a safe and supportive educational environment. He highlighted the institution's commitment to eradicating ragging and fostering a culture of respect and integrity.

Dr. Anil Melath, Principal presented an in-depth discussion on the nature of ragging, its prevalence, and the detrimental effects it has on students. He outlined the institution's zero-tolerance policy towards ragging and encouraged students to report any incidents.

Dr. Raj A.C provided valuable insights into the emotional and psychological toll on victims of ragging. His talk underscored the long-term impact on mental health and academic performance, advocating for empathy and support among peers. Dr. Rajini Mary George addressed the ethical implications surrounding ragging. She urged students to reflect on their responsibilities towards each other and to uphold values of kindness and respect. Dr. George Thomas discussed the psychological motivations that lead to ragging behavior. He explored the dynamics of power and control, stressing the importance of awareness and intervention. Dr. Lino Paul concluded the session by outlining the legal framework surrounding ragging. He detailed the consequences of engaging in ragging, including legal repercussions and emphasized the importance of understanding these laws.

The Anti-Ragging Awareness Programme successfully engaged students in critical discussions about the consequences of ragging. The diverse perspectives presented by the speakers enriched the understanding of this pressing issue, and the interactive Q&A session encouraged participants to voice their concerns and seek guidance.

The institution remains committed to creating a safe and nurturing environment for all students, free from the threat of ragging. Follow-up initiatives and workshops are planned to reinforce the messages shared during the event.

POST EVENT REPORT

ORIENTATION PROGRAM ON ANTI-RAGGING AND ITS CONSEQUENCE

Date: 22-11-2024

Venue: Lecture Hall IV

Time: 9:30 am — 1 pm

An Anti-Ragging Awareness Programme titled "Ragging and Its Consequences" was conducted to educate students and staff about the serious repercussions of ragging, both legal and psychological, while promoting a zero-tolerance approach within the institution.

The event began with the ceremonial lamp lighting, symbolizing a commitment to eradicate ragging. Dr. Selvamani M., Vice Principal, delivered the welcome address, emphasizing the need for a safe academic environment and acknowledging the presence of esteemed guests. Dr. Anil Melath, Principal, welcomed the speakers and highlighted the importance of raising awareness on ragging's lasting impact.

Dr. Shiva Sharan Shetty, member of the Dental Council of India (DCI), spoke on the emotional and psychological effects of ragging. He emphasized strict enforcement, the role of institutional support systems, and encouraged first-year students to pursue Dentistry with confidence in a safe environment.

Mr. C.V. Renil Kumar, Sub Inspector of Police, Palloor, elaborated on the legal consequences of ragging and advised students to report incidents. He also spoke on the role of peer pressure and the need to stand against ragging.

Advocate Mr. Jayashankar provided a detailed overview of India's anti-ragging laws, Supreme Court guidelines, and UGC regulations, reinforcing the legal seriousness of such actions.

The programme concluded with an interactive Q&A session, allowing students and staff to engage with the experts and reinforcing the institution's strong commitment to a ragging-free, inclusive, and supportive campus.

REPORT FOR THE MONTH JUNE 2024

Around 109 students took weekend out pass this month and 27 students took out pass for outing. 67 Students went to Indhira Gandhi Hospital & Mahe Government Hospital due to some health issues. Out of these (4th year students), ALEENASHAJI, YUVASREE, KAVYAPRIYA was admitted to Government Hospital, Mahe for 1 day, accompanied by warden. MUDRA MARIA MATHEW (Third year), LEMI and SANA FATHIMA (Second years) was admitted Indhira Gandhi Hospital for 7 hours accompanied by warden. 7 Students took day scholar out pass. 2 students took church out pass. 87 Students stayed in hostel due to health issues during college hours. 20 students were given late permission to enter the college. 50 students took permission to use the casualty room due to sickness. 6 students took emergency out pass. 2 students were vacating the hostel. (AHZANA FIROZ and ARCHANA THANISSERY (Third years)).

Absentees without permission

- 1) AKARSH O S (1st year)
- 2) SNEHA KRISHNA (2nd year IR)
- 3) NANDA DINESH (3rd year IR)

The second internal exam for Regular batch students was conducted from June 19 to June 27, 2024. However, due to low attendance in the first-year class, the exams for first-year students were postponed to the first week of July. During the second internal exam, several students were absent. A number of these absences were due to health issues. However, some students were absent without providing any reason.

SERVICE TO ECONOMICALLY UNDER PRIVILEGED:

Regular dental camps are organized in rural areas to ensure that underprivileged communities in and around Mahe receive essential dental care. Each year, the college conducts awareness programs on oral hygiene, blood donation, anti-tobacco initiatives, and dental health across various schools and institutions. Additionally, the institution has implemented measures to offer comprehensive healthcare services to economically disadvantaged populations in nearby districts.
