IPR Seminar Post Event Report

Event Title: IPR Seminar on "Injecting innovation: The era of Botox "

Date: 28/05/2025

Venue: Navatara Auditorium

Speaker(s): Dr.Rilna P

Target Audience: Teaching faculty and, postgraduate students

Introduction

The IPR (Intellectual Property Rights) Seminar on "Injecting innovation: The era of Botox " was successfully held on 28/05/2025, aimed at enlightening dental professionals and students about the expanding role of botulinum toxin (Botox) in oral and maxillofacial procedures. The seminar also highlighted the importance of intellectual property in clinical innovations and aesthetic procedures.

Objectives

- To understand the clinical applications of Botox in oral surgery.
- To explore the legal and ethical considerations in Botox use.
- To emphasize the role of IPR in protecting innovations and techniques related to aesthetic oral procedures.

Highlight of the Seminar

. The presentation was well-received and participants gained valuable knowledge on the use of Botox in the oral and maxillofacial surgery. It highlighted the potential benefits and future directions of Botox in the field

Outcomes

- **Enhanced understanding** among participants about Botox applications in oral and maxillofacial surgery.
- Increased awareness of IPR protection for clinical and research innovations.

REPORT ON IPR CONDUCTED BY
DEPARTMENT OF PHARMACOLOGY, MINDS

Date-2/5/25

A IPR program was conducted by Dept. Of Pharmacology on 30/4/25 at 9.00 AM in the Navatara Auditorium, MINDS. Topic for the program was selected as "DRUG REPOSITIONING CHALLENGES & RESEARCH OPPORTUNITIES." The speaker for the program was Dr Manohar herle. P N., HOD, Dept. Of Pharmacology.

The program was started at 09.15 AM and ended at 09.55 AM. Around 22 participants participated in the program. Participants include Medical professionals and Dental professionals. The program was very interesting, informative, interactive and lively.

Through the interactive section Dr. Deviprasad S HOD, Physiology added the relevance of topic in the present scenario.

At the end of the program Dr. Rena Ephraim, MINDS, awarded the appreciation certificate to speaker Dr. Manohar

After evaluating the feed-back and response from the participants the program was excellent.

Thanking you

Respected Sir,

I hope this letter finds you in good health and spirits.

We, the Department of Prosthodontics, Crown, Bridge & Implantology are planning to conduct an *Intellectual Property Rights (IPR) programme* on *25th February 2025* at *9:00AM*. The topic for the programme is *CAD CAM IN DENTAL PRACTICE, EDUCATION & RESEARCH* and the resource person is **Dr. Abhinav Mohan K.** I kindly request you to grant us the necessary permission to organize this event. Your support in this matter would be greatly appreciated and would contribute significantly to the success of the programme.

Thank you for considering our request. We look forward to your positive response.

Post-Event Report

Seminar on Intellectual Property Rights

Organized by: Institutional Research Committee in association with the Department of Prosthetic Crown & Bridge

Date: 25th February 2025 at 09:00AM

Venue: Mahe Dental Science and Hospital, Mahe

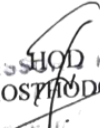

The Institutional Research Committee, in collaboration with the Department of Prosthetic Crown & Bridge, successfully conducted a seminar on Intellectual Property Rights (IPR) on 25th February 2025 at Mahe Dental Science and Hospital.

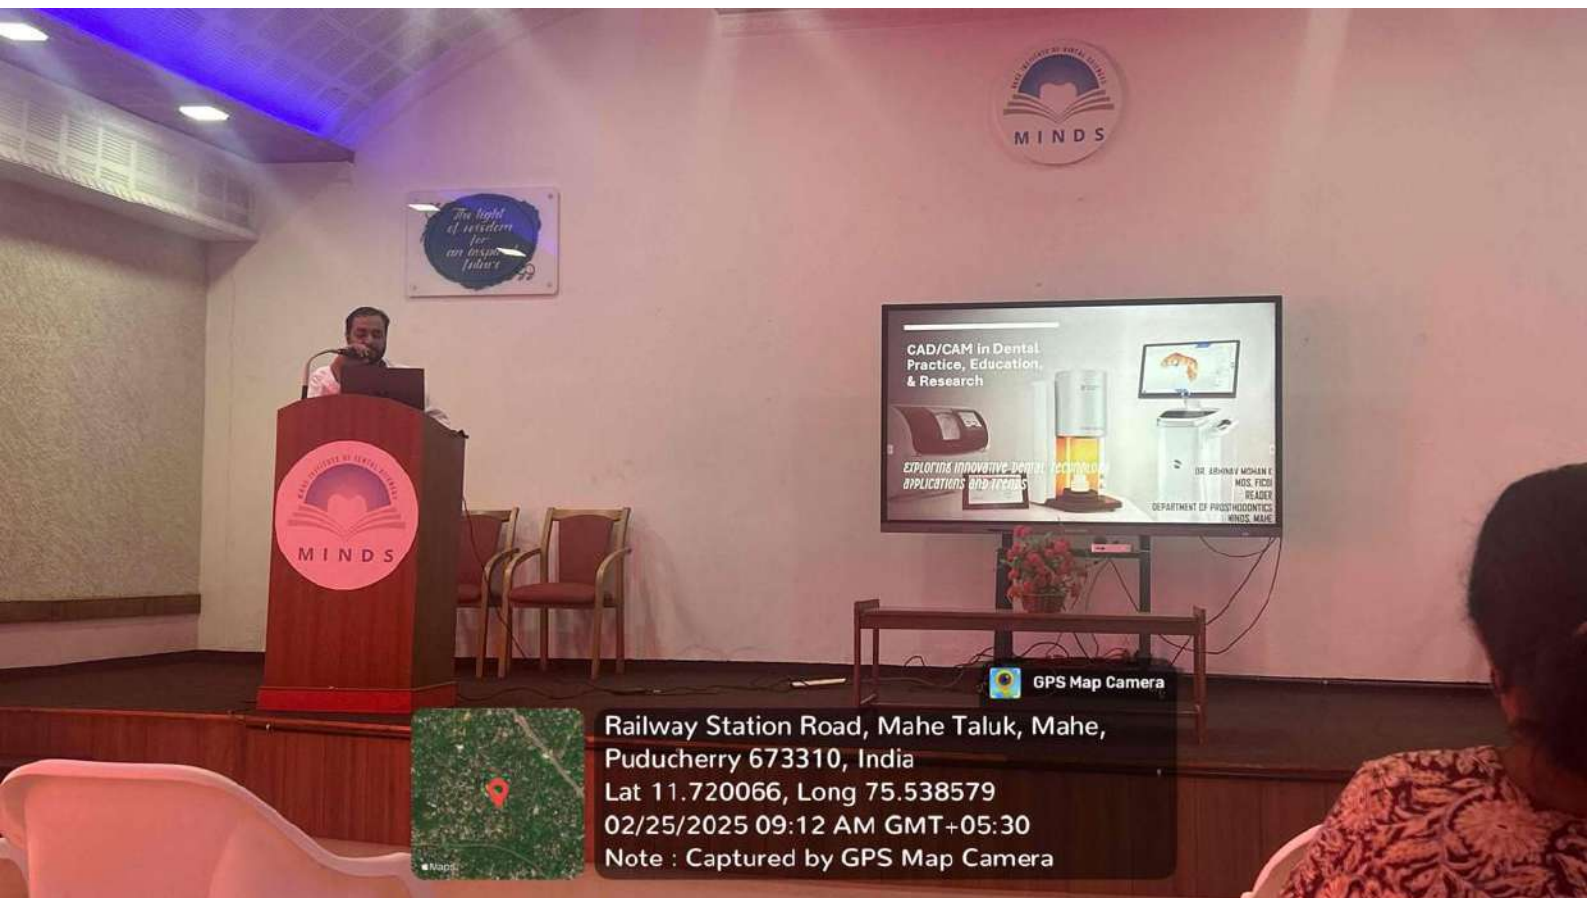

The session was led by Dr. Abhinav Mohan K, who delivered an engaging lecture on "CAD/CAM in Dental Practices, Education, and Research." He provided valuable insights into the various digital workflows in prosthodontics and emphasized the significance of research and innovation in CAD/CAM technology. The session highlighted the role of intellectual property rights in protecting advancements in digital dentistry.

The seminar attracted a large number of participants, including faculty members, postgraduate students, and researchers. The interactive nature of the session encouraged discussions and knowledge sharing among attendees.

At the end of the seminar, Dr. Muralidharan felicitated the speaker, acknowledging his contribution and expertise in the field.

The event concluded on a high note, with participants gaining a deeper understanding of the impact of CAD/CAM technology on modern dentistry and the importance of IPR in dental research and practice. The organizers extend their gratitude to Dr. Abhinav Mohan K for his insightful presentation and to all attendees for their enthusiastic participation.

Report on IPR seminar

Topic: An Insight in to Research Methodology

Date: 08.02.2025

Speaker: Dr. Sudeesh.M

Venue: Navatara Auditorium

The seminar was organized by the Research wing of MINDS. The major objective of the seminar was to sensitize the faculty and students about research and its relevance. Oration was done by Dr.Sudeesh.M, Professor and Head of the Department of Biochemistry. The seminar aimed to provide an in-depth understanding of the research methodology. The seminar included group discussions to facilitate a deeper understanding of the topic. Participants had the opportunity to critically review research papers in their respective fields.

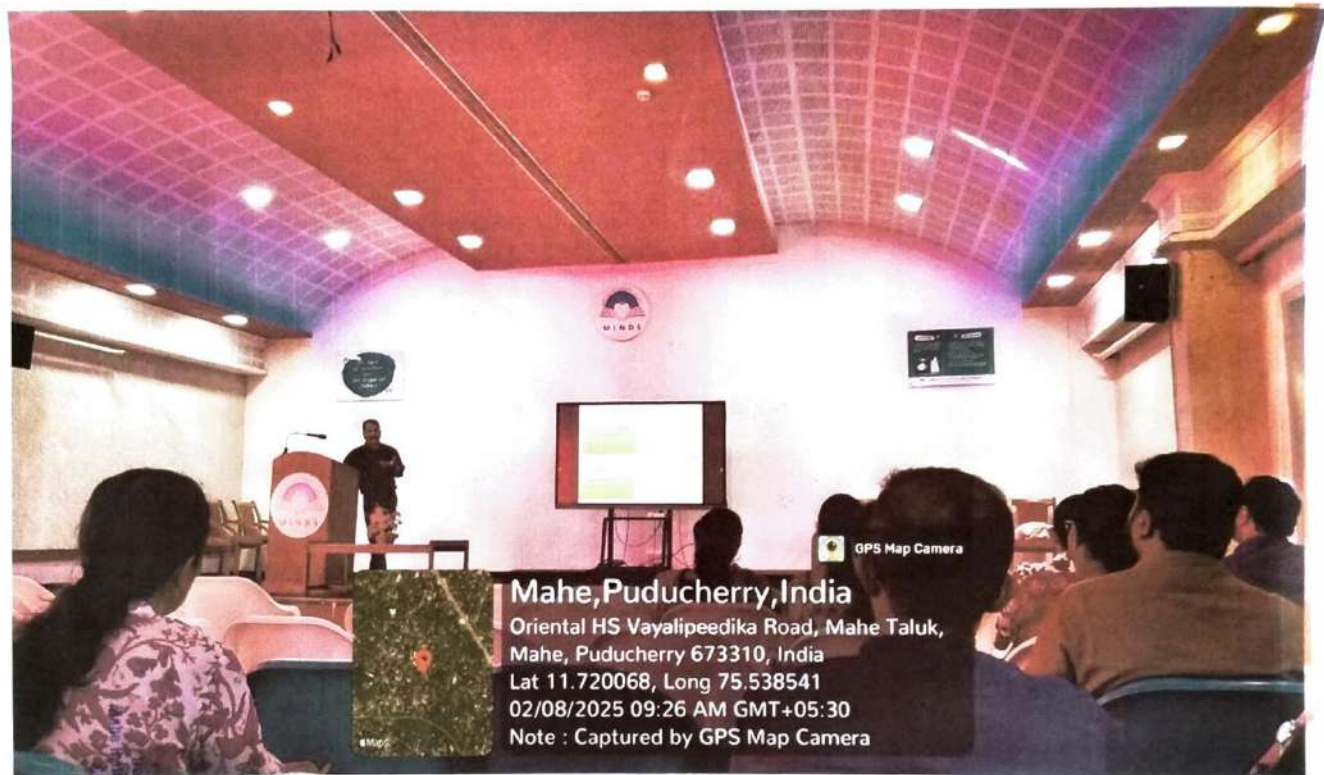

The seminar was a resounding success, providing attendees with a comprehensive insight in to the research methodology. The event facilitated networking and knowledge exchange among healthcare professionals and researchers.

The Report on IPR

We are happy to inform you about the successful presentation of IPR Seminar to staff, Interns and PG students on 27/08/2024 at Navatara Auditorium. The welcome address was given by Dr.Selvakkumar Chinnasamy, Reader & HOD, Department of Microbiology.

Topic: Recent Advances & Updates in Pathology of Head & Neck Tumors.

Speaker: Dr.Saidha Thajudeen, Senior Lecturer, Dept. of General Pathology, MINDS.

Our speaker highlighted the recent advances in pathologic diagnosis of Head & Neck Tumors. She concisely discussed the new updates in classification and diagnostic modalities relevant for present day clinical practice.

Thanking you

Dr.Muralidhara.B.V

The Report on IPR

We take immense pleasure to inform you about the successful presentation of the IPR seminar to staff, interns & P.G students on 27/06/2024 at Navathara auditorium. The welcome address was given by Dr Anjali, Senior Lecturer, Department of Microbiology.

Topic: Introduction to PubMed.

Speaker: Mrs. Parvathy .S , Senior Lecturer, Dept.O f Microbiology, MINDS.

Our speaker **Mrs. Parvathy** who has enlightened the occasion by delivering her valuable points on importance to usage of Pubmed search in medical and sciences field. It was an occasion filled with valuable knowledge gained by our faculties and students through our scholarly guest speaker.

We would like to thank our Honourable Chairman, Principal, Vice Principal & other concerned staff members for providing the infrastructure & support in making this programs a grand success.

Thanking you

(Dr.C.Selvakkumar)
